19	0900	<p>Communication from Col heeffling, to LTC Heiter indicated that an emergency situation existed due to the typhoon and that current Bde operations would be oriented towards civic action, this would reduce the helicopter support for other Bde operations. Except that Bde gave priority to resupply of B Co 2/501. Bde CO requested that all elements which could be resupplied by land be so resupplied. The following elements were directed to return for 3 day resupply: A 1st, D 1st and 3d (these two platoons would carry back sufficient rations for remainder of D Co, or as close to 3 days as possible; B Co, C Co, T-Bone minimum essentials; D Co and then the remainder for T-Bone will be air resupplied in this order.</p>			S:P
